QUAY FUNERAL.

Congressional Delegation and Many Notables to Attend.

Harrisburg, Pa., May 30.—Governor Pennypacker will leave Monday night for Beaver, Pa., to attend the funeral of Senator Quay. The governor previously attended the Memorial day exercises at Gettysburg. The state buildings were draped in mourning for a period of 30 days out of respect to Senator Quay.

Senator Quay, who passed away Saturday afternoon at his home in Beaver, Pa., had been ill for some time. His troubles of later years dated, it is said, from overdraughts on his system, due to heavy eating, smoking and the great nervous strain which he underwent. He celebrated his seventieth birthday at Beaver last fall.

Senator Quay was born in Dillsburg, York county, Pa., in 1833, graduated at Jefferson college in 1850, and was admitted to the bar in 1854. He was military secretary to the governor of Pennsylvania from 1861 to 1865, and was a member of the legislature in 1865, secretary of the commonwealth from 1872 to 1878, and from 1879 to 1882, was elected state treasurer in 1885. He was chairman of the Pennsylvania state Republican committee in 1878 and 1893. In July, 1888, he was elected chairman of the Republican national committee, a shore the brunt of the fight which resulted in the election of Benjamin Harrison.

Mr. Quay was elected to the United States senate in 1887. In 1899 he was defeated for re-election by a deadlock in the legislature, but was appointed United States senator by the governor. His appointment, however, was rejected by the senate, but he was re-elected senator in 1901.

MONEY RETURNED.
Postal Authorities Turning Back an Avalanche of Orders.

New York, May 31.—Money orders from all over the country, aggregating thus far \$30,000 are pouring into the general postoffice for a concern known as the "Eastern Trade Company."

Mail thus addressed was ordered held up a month ago by the postal authorities. It is alleged, because of a circular which fell into the hands of a mail clerk informing him that he had won a prize of some sort for which, to his knowledge, he had never competed.

Advertising in the local postoffice throughout the country has failed to check the stream of money orders and they are being returned to the senders as far as possible. One clerk is kept busy re-mailing the letters at the rate of one a day.

After Southern Merger.
Southern Railway System.

Attorney General for South Carolina, James H. Hammond, has filed a complaint in the proceedings to test the validity of the absorption of the Southern of alleged competing and parallel lines in this state. The proceeding is in accordance with instructions from the legislature, and for the purpose of settling all the suits which are now on file against the Southern on this charge. The state formerly made that the agreement of consolidation by the Southern with the Asheville and Spartanburg, the Carolina Midland and the South Carolina and Georgia extension, be set aside and declared null and void as in violation of the letter and spirit of the state constitution, in that the absorbed lines were at the time of the consolidation "competing lines."

Fatal Walking Match.
Paris, May 31.—Fatal results followed the army walking match from the Place de la Concorde to St. Germain and back, a distance of about 28 miles, in which 2,000 soldiers from many regiments took part. Reports received by the ministry of war show that 42 men are missing and a number are believed to have succumbed to hardships. Besides those missing 34 men were taken to hospitals along the course in various stages of prostration. Six were in a serious condition, one man is dead and another is in a dangerous condition. Some reports place the number of dead at four.

Military Parade.
St. Louis, May 31.—The first day of "military week" at the world's fair was rendered disagreeable by a hard rain. Accustomed to a kind of weather and to strict discipline, the soldiers and cadets marched in the pouring rain apparently indifferent to the soaking, and the plaza of St. Louis was thronged by thousands who cheered and cheered and waved umbrellas in applauding the 5,000 marching military men, apparently unmindful of the steady downpour.

Frisco Meteor Wrecked.
Denison, Tex., May 31.—The north-bound Frisco meteor was wrecked two miles north of Denison. The baggage and mail cars went over a 50-foot bridge and were completely demolished. J. A. Davis, Wells Fargo messenger of Kansas City, was seriously injured, and N. A. Terrell, postal clerk, Fort Worth, slightly injured. The chair car and coaches remained on the bridge.

Dover's Departure.
Cleveland, O., May 31.—Elmer Dover will leave Cleveland Wednesday morning for Chicago to superintend the transfer of the headquarters of the national Republican committee from Washington to Chicago. Mr. Dover will remain in Chicago in charge of headquarters until after the convention, the latter part of June at least.

Sheep Ranchers Shot.
Casper, Wyo., May 31.—Lincoln Morrison was fatally shot from ambush while driving through the town of Thermopolis. Morrison has some sheep that graze on a range claimed exclusively by cattlemen. Not many months ago, another prominent sheepman of Thermopolis was assassinated.

BUNCHED PARAGRAPHS

RELATING TO AFFAIRS IN THIS AND ADJOINING STATES.

Towboat Torn to Pieces by the Explosion of Her Boilers, a Dozen Persons Being Killed—Newspaper Plant Burned—Other Mention.

Louisville, Ky., May 27.—The towboat Fred Wilson was torn to shinders 10 men were blown to bits and 16 others injured, by a tremendous explosion of the boat's boilers at an early hour. Of the 23 persons aboard the boat only seven escaped unhurt. Of the injured one will probably die. The force of the explosion was so great that it shattered windows and awakened the occupants of houses in Louisville four miles from the scene.

The dead: Joseph Price, captain, Braddock, Pa.; Albert H. Miller, pilot, Pittsburg; W. A. Holland, guest of Captain Price, Braddock, Pa.; William Quinn, steward, Pittsburg; Hugh Hoskins, cook, Pittsburg; J. C. Johnson, deckhand, Tyone, Pa.; Patrick White, deckhand, Pittsburg; Sherman Shiller, second engineer, Pittsburg; William Thornton, colored fireman, Middleport, O.; Joseph Warren, colored fireman, Middleport, O.; Tobe McElcough, deckhand, Wellsburg, W. Va., is probably fatally hurt.

The Fred Wilson was the property of the Monongahela River Consolidated Coal and Coke company, and at the time of the accident was arranging for tow near River View Park, about 60 feet from shore. She was valued at \$25,000.

No good explanation of the cause of the accident has been offered, and there is little hope that the coroner's inquest, which will be held Monday, will throw any light on the matter. The most plausible theory is offered by some of the deckhands, who suggest there may have been an excess of mud in the boilers.

Carl Cody, cabin boy, of Braddock, O., was blown 125 feet to shore and is seriously injured. Albert E. Stewart of Middleport, O., also sustained injuries.

Dynamite Kills Four Men.
Knoxville, Tenn., May 31.—Four men were killed and two fatally injured in a dynamite explosion which occurred near Warwick, on the Knoxville, LaFollette and Jellico branch of the Louisville and Nashville road. The dead are: James Birchell and son, John; John Huntly and Henry McCallister, all residents of Campbell county, Tenn. The injured men are Hal Huntly and George Riddenden. The latter was blown out and the bodies of both were scattered by the explosion. The accident was due to the carelessness of men at work in a rock cut. They had been ordered to lay some blays and it was while they were tamping the holes that the explosion occurred.

Third Set of Teeth.
Owingsville, Ky., May 30.—Miss Marie Williamson is attracting much attention because of a third set of teeth she is cutting. Two teeth have already made their appearance. She lost her second set of teeth several years ago and has since used false ones. Recently on adjusting the plate she found that the new teeth interfered with the plate. Her grandfather, who died many years ago, cut a third set of teeth after he had passed his sixtieth year.

Frightful Leap.
Louisville, Ky., May 25.—Despondent because of business troubles, Julian W. Courts hurled himself from the tenth story of the Columbia building. His body was reduced to a pulp on the pavement below. Courts was employed as a claim clerk for the Louisville, Henderson & St. Louis railroad. He was the son of C. Winn Courts, a Russellville, Ky., banker.

Newspaper Plant Burns.
Ashland, Ky., May 30.—Another bad fire visited Ashland when the entire plant of the Ashland Daily Independent went up in flames. Loss \$15,000, partly covered by insurance. The independent was the only paper in the city, and its owners, G. F. Friel and B. F. Forney, expect to install new machinery and continue business.

Tennessee Democrats.
Nashville, Tenn., May 26.—At the Democratic state convention James D. Fraxer was nominated to succeed himself as governor and a platform instructing delegates to the national convention to vote for the nomination of Judge Alton B. Parker of New York for president, and to vote as a unit on all questions, was adopted.

Lynching Feared.
Owensboro, Ky., May 25.—Rev. W. W. Armer, who killed his son last Friday by striking him on the head with a fence rail because the boy would not come home when he told him to, was brought here and lodged in the Owensboro jail. It is rumored here that a mob is forming at Calhoun to lynch him.

Killed by Dynamite.
Charleston, W. Va., May 30.—In using dynamite to dislodge a ground hog from under a huge stone, Burt Britt of Paint Branch lost both legs. He died within two hours.

Rich Gold and Silver Strike.
Salt Lake City, May 31.—Sensation at discoveries of gold and silver have just been made near Mountain City, Neb., a camp 100 miles north of the Elko, on the Southern Pacific. The camp has been dead as a mining city for over 40 years. Samples of the ores just encountered there have reached Salt Lake City and show values ranging from 300 to 20,000 ounces of silver to the ton. From one hole 35 feet deep over \$10,000 was taken out in three days last week.

THE SUNDAY SCHOOL.

LESSON X, SECOND QUARTER, INTERNATIONAL SERIES, JUNE 5.

Text of the Lesson, Matt. xv, 1-15. Memory Verses, 12-14—Golden Text, Luke xliii, 4.—Commentary Prepared by Rev. D. M. Stearns.

[Copyright, 1904, by American Bible Association.]
After the passover and the institution of the supper in the last lesson our Lord spoke to the eleven, the wonderful words of John xiv to xvi and prayed, as recorded in John xvii. Then He went forth over the brook Cedron with His faithful few to the Mount of Olives and into the garden of Gethsemane, cast off by His son Israel (Ex. iv, 22, 23). This was foreshadowed in David when He, with His faithful few, crossed the same brook, cast off by his son Absalom (1 Sam. xvi, 23, 26), but in that case the wicked son was slain, while here in our lesson the righteous King is to suffer in the stead of His enemies, the just for the unjust (1 Pet. iii, 18; Rom. vi, 8).

The agony of Gethsemane, the sleeping disciples, the betrayal and arrest of our Lord, Simon Peter's blunder with the sword, the disciples all fleeing, Jesus before Annas and Caiaphas, the false evidence, the mocking, Peter's denial—these are some of the events and incidents which follow the night, but who can tell what they meant to Him who was the center of all, the Lamb of God, oppressed and afflicted, brought as a lamb to the slaughter and as a sheep before her shearers, opening not His mouth (Isa. liii, 7). The morning came, the morning of earth's darkest day, and the council, having condemned Jesus to death, led Him and laid Him away and delivered Him to Pontius Pilate, the governor.

The King of the Jews, selected by His own people, treated by them as an evil doer and condemned to die, killed and suffering, He allowed them to act their pleasure.

About the time that our Lord was brought before Pontius Pilate, the thirty pieces of silver testified to the chief priests and elders that Jesus was innocent, threw down the money in the temple and went and hanged himself (Matt. xxviii, 11-14).

For a more full account of all that passed between Pilate and the Jewish rulers and Jesus see Luke xliii, 4-25; John xviii, 28 to xix, 15. It is possible that as Pilate, the representative of the great world power of that time, asked Jesus, "Art thou the king of the Jews?" he may have meant that he was a ruler and not a king, and that Jesus, the believer speaks of Jesus as the King of the Jews, soon to return and sit on David's throne, asserting that he also expects to reign with Him, he is apt to be considered by many very religious people to be an ignorant, weak-minded person, notwithstanding such Scriptural statements as Luke i, 32, 33; Rev. v, 5, 10; Col. iii, 1.

Having confessed before the high priest and before Pilate that He is the Christ, the King of the Jews (Mark xiv, 62; xv, 2), He has nothing more to say, so now to chief priests and Pilate He answers nothing, but patiently awaits their disposal of Him.

It was the governor's custom to release to the Jews at the time of the passover a prisoner, whomsoever they desired, and having a suitable prisoner, a number named Barabbas, he asked whether he should release Barabbas or Jesus, the King of the Jews. He probably thought that they would surely choose Jesus, but he knew neither the murderous hearts nor the God of Love who was overruling all these things (Acts iv, 27, 28). The chief priests moved the people to ask for the release of Barabbas, and when Pilate asked what he should do with Christ, the King of the Jews, they cried, "Crucify Him!" and as Pilate again asked, "Why, what evil hath He done?" they cried the more exceedingly, "Crucify Him!"

It appears from a harmony of the gospels (one being before me as I write and quote from one or the other of the evangelists) that Pilate interceded for Jesus and offered to set Him free not less than seven times on that eventful morning. Peter says that Pilate was determined "to let Him go" (Acts xiii, 13). In John xviii, 38; xix, 4, 6, we hear Pilate say three times, "I find no fault in Him." Pilate's wife, because of a dream which she had, sent this message to her husband: "Have thou nothing to do with that just man" (Matt. xxvii, 19). There seemed to be no one against Him but His own nation, and they so hate Him that they prefer a murderer to the Holy Lamb of God.

So Pilate, willing to content the people, yet acting contrary to his own conscience and against his wife's entreaty, released Barabbas, the murderer, and delivered Jesus, the innocent one, to be crucified. But since Pilate held Him to be innocent and washed his hands of the affair (Matt. xxvii, 24), why scourge Him? It is all too awful to tell, but what must the actual occurrence have been? Was it at this time as the powers plowed upon His back and made long their furrows, that the cruel thorns flew round His face also and made His visage to be so marred more than any man? (Is. liii, 2; Isa. liii, 14). I do not know, but I have often wondered.

People are daily choosing a murderer, the devil, or the Christ of God. Every one must face the question, "What shall I do with Christ?" We cannot get rid of it any more than Pilate could, and no amount of water or suds can wash away our guilt (Jer. li, 22), nothing but the blood of Jesus. As He died in the stead of Barabbas, so He died in my stead, but how can I ever thank Him?

EVACUATING DALNY.

Russians Anticipate Advance of the Japanese.

FIGHTING REPORTED IN THE VICINITY

Formidable Force of Cossacks Threatens the Rear of General Kuraki's Army—Open Attack Planned on Port Arthur—Graphic Story of the Capture of Kin Chou.

Washington, May 30.—The following cablegram from Tokyo has been received at the Japanese legation:

"General Oku, commanding the army attacking Kin Chou, reports that in the attack on Nanshan Hill, the Fourth division formed the right wing, the Fourth division the left wing, and the First division the center. The enemy consisted of one division of the field army and two batteries of field artillery, besides fortress artillery and marines. The Fourth division, taking advantage of the enemy's left wing, which was weakened by the bombardment from our fleet at Kin Chou bay, finally succeeded in carrying the enemy's position, while other divisions followed it up. Thereupon the enemy retreated in confusion, exploding magazines at Tansangshin. The trophies of the battle consist of 68 guns and 10 machine guns, besides many other things. Our casualties are estimated at about 3,500. The enemy left on the battlefield over 500 dead bodies."

The cablegram by an error mentions the Fourth division as forming both the right and left wings.

According to advices from Chefoo Dalny is being evacuated. All valuables, ammunition and most of the troops have been taken to Port Arthur. The only civilians remaining are the electrical engineers in charge of the mines laid in the harbor, and also those set there to destroy docks and piers. One large Russian warship, probably the armored cruiser Bayan, and three torpedo boats reached Tientsin on Tuesday last, the 24th inst., from Port Arthur, and it was doubtless this vessel which attacked the Japanese left wing during the battle at Kin Chou on the 26th inst.

Disturbs the Russians.
St. Petersburg, May 31.—The Japanese report of defeat of Cossacks at Al-Yang-Pien-Men was the only news and almost the only topic of conversation in St. Petersburg. No official dispatches were given out, but officers at military headquarters were reluctant to accept the Japanese report. They think it possible that the Japanese report concerns General Mischchenko's command, which has recently been raiding in Korea. It is formed of comparatively raw recruits, though now somewhat hardened by three months' campaigning. It is conceivable that they might have been defeated, but not Rennenkampf's force patrolling the Al-Yang region, who are veterans of the old command which accompanied him on the famous ride through Manchuria. These men are esteemed here as the hardest riders and the most reckless fighters in the trans-Baikal army. Any disaster to them would have a greater sentimental effect than the most serious reverse at Kin Chou.

Cossacks Threaten Jap Rear.
St. Petersburg, May 30.—The correspondent of the Russian Press (the army organ), with General Mischchenko's division of 5,000 trans-Baikal Cossacks, sent to Korea to keep in touch with the enemy, gives a detailed account of a ride destined to become classic in cavalry annals. The command rode 400 miles in a fortnight. They approached to within a day's march of Seoul and were anxious to capture the town which would have been an exploit, the correspondent says, to thrill Europe, but imperative orders reached them to retire and they reluctantly rode back to Wiju. General Mischchenko's force is now eastward of Feng Wang Ching threatening Kuraki's rear. It is believed here that the men who wanted to capture Seoul are capable of seriously hampering the Japanese movement.

Liao Tung Coast Blockaded.
Chefoo, May 28.—Japan announces that the entire coast of the Liao Tung peninsula lying south of a line between Pitsewo on the east and Pulant on the west is in a state of effective blockade by the Japanese army. The declaration states that the blockade will be maintained. The Japanese government has evidently refrained from declaring the peninsula in a state of blockade until now, because it is held in international law that a blockade to be effective must be maintained by land as well as by sea.

Cossacks Defeated.
Tokyo, May 31.—A detachment of Japanese troops attacked and defeated 2,000 Cossacks at Al-Yang-Pien, north-west of Feng Wang. The engagement lasted an hour. The Japanese lost four men killed and 28 wounded.

Memorial Exercises in Paris.
Paris, May 31.—Memorial day exercises were held at Picpus cemetery, where the tomb of Lafayette was decorated with flags and flowers. Ambassador Porter, who presided, pronounced eulogy of the Franco-American heroes. General Barnes of Lafayette Post, Grand Army, of Brooklyn, delivered an address. The statue of Washington on the Place des Etats Unis was handsomely decorated.

Fought Over a Woman.
Steubenville, O., May 31.—Frank Salskosi, a Polisher, was shot and fatally injured in a riot between Italians and Polishers that occurred as the result of rivalry over a woman.

Mansfield Man Killed.
South Bend, Ind., May 26.—The body of the man killed here by a Lake Shore passenger train has been identified as that of Van Burr Keil of Mansfield, O. It is said that he is a member of a wealthy family.

Two Girls Drowned.
Steubenville, O., May 26.—A double drowning occurred in Big Yellow creek at Hammondsville. The dead, Annie Platt, 15; Sadie Hardie, 12. It is not fully known how the drowning occurred.

Murdered by Robbers.
St. Joseph, Mo., May 31.—John Seefried, a well-known saloonkeeper, was murdered by thugs at his place of business. About \$200 was secured. Charles Mack is being held for investigation.

Independent Telephones.

Louisville, Ky., May 17.—After having inspected the independent telephone systems of the Atlantic states and middle west the party of independent telephone capitalists headed by J. R. Spaulding of Atlanta, Ga., Pittsburgh company have decided to perfect within the next three months an independent long distance system. This will be accomplished, according to a statement given out by Mr. Spaulding, by consolidating and capitalizing the long distance facilities of six of the largest companies.

Wheeling Cadet Drowned.
Annapolis, Md., May 16.—Midshipman Phillip Brittingham of Wheeling, W. Va., a member of the third class of the naval academy, was drowned about two miles from the naval academy. The young man left the academy dock in a sailing launch with Midshipmen Andersson, Henderson, Towers and Stevens, all of the third class. The boat was without centerboard or air tanks, and being caught by a strong gust of wind, capsized and sank immediately. The others were rescued.

State Successful.
Nashville, Tenn., May 16.—A canvass of the situation following the result of the legislative primary in Shelby county indicates the re-election of General William B. Bate to the United States senate for the fourth time, and ends one of the fiercest senatorial fights in the history of the state. Ex-Governor Benton McMillin, who is contesting for the place with Senator Bate, has been making a most active struggle for several months, and at one time with fair chances for success.

Money to Be Raised.
Knoxville, Tenn., May 17.—Receiver W. J. Oliver of the Tennessee Central railroad stated that the necessary \$50,000 for liquidating the floating indebtedness and ending the receivership of the road had not been secured, according to expectations. He had advised, however, that President Van Bliet had raised nearly all of the money. The indications are, so the receiver stated, that it will be secured in a day or so.

Physician Indicted.
Carlisle, Ky., May 16.—The grand jury has indicted Dr. Charles W. Mathers, ex-representative from Nicholson and Robertson counties, on the charge of carrying concealed weapons, pointing a pistol and holding up a man on the highway. It is alleged that he held up his uncle, S. W. Mathers, and tried to take from him a deed to 80 acres of land in which the doctor has a life interest.

Her Undeveloped Sense of Humor.
"The trouble with you women," he said, "is that you have no sense of humor."
"I know it," she admitted. "I suppose I ought to think being married to you is a lovely joke, but I can't seem to see it."—Chicago Record-Herald.

BOB WHITE

Reaps Millions Annually by Destroy-
ing Farm Pests.

Washington, May 30.—The entomol-
ogists of the department of agricul-
ture have been making an investiga-
tion of the economic value of the bob
white, as a result of which it is now
announced that that bird is "probably
the most useful, abundant species on
the farm." Field observations, ex-
periments and examinations show that
it consumes large quantities of weed
seeds and destroys many of the worst
insect pests with which farmers con-
tend, and it does not injure grain
fruit or any other crop. It is figured
that from Sept. 1 to April 30, annually,
in Virginia alone the total consump-
tion of weed seed by bob whites
amounts to 573 tons. Some of the
pests which it habitually destroys, the
report says, are the Mexican cotton
boll weevil, which damages the cotton
crop upwards of \$15,000,000 a year;
the potato beetle, which cuts off \$10,
000,000 from the value of the potato
crop; the cotton worms, which have
been known to cause \$30,000,000 loss
in a year; the elm bug and the Rocky
mountain locust, scourges which leave
desolation in their path and have
caused to the extent of \$100,000,000
damage in some years.

Gillespie Jury Discharged.
Rising Sun, Ind., May 30.—After de-
liberating 42 hours, the Gillespie jury
agreed. Judge Downey, who
charged the jury in the Gillespie case
when the jury was brought into the
courtroom Judge Downey asked them
whether there was any probability of
agreeing on a verdict, and every one
of the 12 men shook his head in the
negative. Judge Downey then thanked
them and dismissed them from fur-
ther service. Prosecutor McMullen
said that the state would oppose any
effort on the part of the defense to re-
lease James Gillespie, and stated that
the case would come up again next
September. At the present time the
four defendants are in the same pos-
ition they were before the trial began
as the bonds of those released from
custody are continuous. Whether or
not the defense will elect to be tried
separately or jointly, as on this trial,
the future will determine.

Baltimore's Mayor Suicides.
Baltimore, May 31.—Standing be-
fore the mirror of a dressing case at
his home, Mayor Robert M. McLane
sent a bullet crashing through his
brain and expired within an hour.
No cause can be assigned for the
act by the members of Mr. McLane's
family. Since the fire of last February
he has been kept assiduously at work
administering the affairs of the city,
besides endeavoring to direct the re-
habilitation and rebuilding of the
burned district. This, together with
criticisms by his political opponents,
are thought by many to have caused
a temporary aberration of mind.

Poisoned by Canned Peas.
New York, May 31.—After eating a
can of green peas a few days ago an
entire family, consisting of five per-
sons, were taken ill. Two of them
have already died, a third can not re-
cover, and two others are still ill, al-
though it is believed their chances of
recovery are good. Giuseppe Obraco,
his wife Marie, his daughter Angelina,
18, and his sons Vincent, 14, and An-
tonio, 11, had a can of peas for sup-
per. A short time later they were
taken ill and rapidly grew worse. The
elder son and Angelina died, and An-
tonio is beyond help.

Convention Postponed.
Indianapolis, May 30.—The Demo-
cratic state convention has been post-
poned from July 20 to Aug. 3. A para-
graph in notice of postponement
reads: "The convention will be com-
posed of the delegates selected prior
to May 12, 1904, and the officers and
committees of the state convention
held on the said May 12, 1904." The
reason for the postponement is as-
signed to a request from many editors
who wish to go on the excursion of
Democratic editors to Canada.

Died in a Hovel.
Decatur, Ala., May 28.—Colonel C.
C. Sheats, one of the most noted
characters in Alabama's history, was
found dead in a hovel. Colonel Sheats
was a member of the secession con-
vention in this state and voted against
Alabama going out of the Union. He
was at one time United States min-
ister to Denmark, and was elected
governor of Alabama just after the
civil war, but was not allowed to take
his seat. Formerly he was very rich,
but died a pauper.

A Strong Testimonial.

Paris Ky, Nov. 26th, 1900.
Tr T. B. MITH:

Dear Sir:—Fifteen years ago I
was seriously afflicted with my
kidneys and bladder. I suffered
with severe burning pains, scanti-
ness of urine, which was thick
like glue, and often as red as blood
and oh, how painful! In a word
I was in a very bad fix at the time
I met you in Falmouth, Ky., fif-
teen years ago and consulted with
you. You then guaranteed two
bottles of Smith's Kidney Tonic
to cure me. I took the two bot-
tles as directed and it cured me
and I never have been troubled
since, for which I am so grate-
ful.

Jackson Ky. April 15th, 1904. International Correspondence Schools. Scranton, Pa.

Gentlemen: About two years ago I entered in the International Correspondence Schools in order to obtain the reference library that goes with it and it gave me pleasure to say that I value the same very highly. I have carefully examined the same and use it frequently in my work and find it a very thorough and practical discussion of all subjects pertaining to engineering. My judgment it constitutes a treatise better adapted to the requirements of the working engineer than anything heretofore published.

Yours truly,

ASA C. BARRON.

Mr. Joseph Poinville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief, was advised by his druggist, Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so and is a well man today. He troubled with indigestion, bad taste in the mouth, lack of appetite or constipation, give these Tablets a trial and you are certain to be much pleased with the result. For sale by Day Bros. Co.

Too Great A Risk

In almost every neighborhood someone has died from an attack of cholera or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for anyone to take Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. For sale by Day Bros. Co.

REBELS LOST HEAVILY.

Domestic Troops Engage a Force of Revolutionists.

Cape Haitien, Haiti, May 20.—Dominican government troops, commanded by General Raoul Cabro, and Dominican revolutionary troops, led by General Pelico Lasala and other generals, met recently at Ouanaminthe, Santo Domingo, midway between Santiago de Los Caballeros and Monte Cristi. In the fighting which followed the government forces had 30 men killed or wounded and the revolutionists lost heavily. Five revolutionary generals, including Espallat, sought refuge in the French and Venezuelan consulates here and later embarked on the French steamer Olinde Rodriguez, bound for Porto Rico. All is quiet at present in Haiti.

Bryan on Reorganization.

Chicago, May 23.—William J. Bryan said while in Chicago that he thought the Democratic party would not be reorganized at the St. Louis convention. "The plan to bring about reorganization of the party will be defeated," he said. "The paramount issue in the campaign will be government by the people as against government by the corporations. These people will control the St. Louis convention and the Kansas City platform will be reaffirmed, in my judgment." "Do you expect to go to St. Louis as a delegate?" was asked. "Well, it looks that way now, though I can't be sure," was the reply.

Double Tragedy.

Dubois, Pa., May 23.—Frank Paul, a prominent man of Cardiff, 11 miles east of here, while visiting friends at a boarding house near his home became involved in a quarrel with Saverio Pelligrino, an inmate of the house. Paul left hurriedly for his home, leaving his hat lying on the ground in front of the house. His wife went for the hat, when she was shot dead by Pelligrino. Paul immediately went to the boarding house with a shotgun and killed the Italian. He was arrested.

No One But Yourself If You Don't Get Well When Sick.

All we can do is give advice. Of course, that's easy. But our advice is really worth a little more to you than most people's, for we offer to give you the first bottle of our medicine free, if it fails to help you. We could not afford to do this unless our medicine was good. Such an offer, on the wrong kind of medicine, would put a merchant prince in the poor house. Dr. Miles' Nervine, however, as years of experience have proved, is a medicine that cures the sick. Those whom it cannot benefit—less than one in ten thousand—we prefer to refund their money.

All we ask of you is to try Dr. Miles' Restorative Nervine for your complaint. If you suffer from sleeplessness, nervous exhaustion, dizziness, headache, muscular twitchings, melancholy, loss of memory, weak stomach, poor blood, bilious troubles, epilepsy, St. Vitus' Dance, etc., we will guarantee to benefit you or refund your money.

You are the doctor. "My son Bert, when in his 17th year, became subject to attacks of epilepsy, so serious that we were compelled to take him out of school. After several months he failed to improve, we gave Dr. Miles' Nervine a trial. Ten months treatment with Nervine and Liver Pills restored our boy to perfect health."—MR. JOHN S. WILSON, Deputy Co. Clerk, Dallas Co., Mo.

FREE Write us and we will mail you a Free Trial Package of Dr. Miles' Anti-Pain Pills, the New Scientific Remedy for Pain. Also send you Blank for our Specialist to diagnose your case and tell you what is wrong and how to right it. Absolutely Free. Address: DR. MILES MEDICAL CO., LARCHMONT, N. Y.
